## VEHICLE OVERVIEW

This garage-kept one owner 2002 MCI Custom Coach is a great day/night coach with all the amenities including leather driver and passenger seating, ducted heat and air, day/night shades throughout, decorative valances, carpet in seating area and convertible bedroom. This is the perfect MCI Custom Coach for either a corporate entertainer or as a personal motor coach as the back area converts into a full-size bed.

The living/seating area in the front includes two (2) burgundy electric leather recliners with a workstation for electronic hookup, one double sofa, a single sofa for general seating, and carpeting. There are plenty of electrical outlets to stay connected, a flat screen TV for entertainment, and a privacy curtain separating the driving area and seating.

In the galley you'll find a burgundy leather booth-style dinette, 2-burner stovetop, refrigerator, electric oven, microwave, L-shaped Corian countertop in galley, wood flooring, and plenty of storage and countertop space. You'll find a large enclosed shower with classic tiling, tile flooring, Corian countertop with formed basin, large mirrors, and plenty of counter space as well as storage space.

At the back of the coach, you have a multi-use room that is great for meetings, additional entertainment area, and/or conversion into a bedroom. Amenities include additional seating for 6-7 with two couches, flat screen tv, stereo speakers, side table with drink holders, intercom phone, and a built-in storage unit.

The MCI is very well lit with upper lighting as well as plenty of wall sconces. It also features a backup camera, dashboard mounted GPS, and side-arm control panel.
