VEHICLE OVERVIEW

This 43' 2008 Country Coach Inspire 360 Founders Edition is a very well-cared for coach and is powered by a Caterpillar C9 engine paired with a Caterpillar CX28 transmission for 425 HP, and full air brakes with ABS automatic traction control. You'll have plenty of room with 4 slide outs, 2 leather couches with a sofa bed, and a jack-knife couch along with a queen bed for a 5 person sleeping capacity. This Country Coach is equipped with power driver and passenger seats with adjustable arms, power steering with telescoping steering column, cruise control, GPS navigation, side-view cameras on rear-view display, power side mirrors, power privacy shades, leather-wrapped steering wheel, and tile entry in landing and driver's area. This Inspire 360 also has 3 ACs, 3 TVs with one in front, back, and basement, ceiling speakers and subwoofer with front TV, 5 disc DVD player with home theater system, AM/FM radio and CD player, and DirecTV.

In the kitchen you'll find solid-surface countertops, double-bowl stainless steel sink, stainless steel Norcold 12 cu ft 2-way refrigerator with ice maker, stainless steel microwave/convection oven with power hood, recessed 3-burner gas cooktop with solid surface cover. Bedroom amenities include queen bed with upholstered headboard, clothes dresser, overhead storage cabinets, and decorative window treatments. It also includes 2 vanity sinks, rain glass shower enclosure, and stacked washer and dryer.

This 2008 Country Coach also has plenty of storage with 2 lighted pass-through exterior storage bays and plenty of overhead storage, Aqua-Hot heating, aluminum skirting, full rear mud flap, daytime running lights, padded vinyl ceiling, dual-pane insulated windows, 2 house batteries, and an Onan diesel generator with remote start/stop. Many more features to list. This is a must see and won't last long!
