VEHICLE OVERVIEW

This 38' 2009 Damon Astoria Pacific Edition 3772 has been extremely well maintained and is in excellent condition. If you are looking for a luxurious diesel motor home for a great price, look no further. The Pacific Edition includes 3 slide outs with two in the living room and one in the bedroom giving you plenty of living space. Entertaining guests is easy with 2 TVs, one in living room, one in bedroom, and a TV hookup available in the bay. The living and bedroom TVs have been updated to brand new 40" HD Smart LED that provide HD SAT or antenna service to the main living room along with built in surge protection.

The Astoria sleeps 6 comfortably with leather bucket seating, 2 leather sofas that convert into a full-sized bed with an included air mattress and a twin bed respectively. The dinette seating sits 4 adults comfortably and also converts into a twin bed when needed. The bedroom comes with a queen-sized bed, built-in dresser, very large closet stretching almost the entire width of the bedroom, and a like new washer/dryer combo unit. The kitchen includes many amenities such as a 4 door refrigerator with ice maker that runs LP or electric and a 3-burner stove with an overhead fan in the convection/microwave combo above. The bathroom consists of a private room with an upgraded larger toilet, vanity with sink, and a large shower with sky light. Underneath the hood, this Damon Astoria is equipped with a 340 HP Cummins 16 diesel pusher, Freightliner chassis, Allison 6 speed transmission, an Onan 6.0kW Quiet Diesel Generator that has been maintained annually in addition to a 50 AMP, 120-volt service chassis and coach battery disconnects, and an 80 AMP converter. It also includes (2) 13,500 BTU air conditioners with separate thermostats in the living and bedroom, 34000 BTU electric ignition furnace, a 10 gal hot water tank that can run LP or electric, and auto or manual leveling jacks.

This well-cared for RV has received many upgrades including new tires with less than 500 miles, DOT 0915, new coach and chassis batteries in 2015, and a brand new Wineguard Traveler HD DirecTV system with independent HD. The exterior includes large pass-through storage in the basement with a slider tray to allow easy access from both the driver and passenger sides of the coach, each slide out with an awning, exterior shower in the utilities compartment, automatic 20 ft. awning in the entertainment bay for connection of a 3rd TV outside.
