### VEHICLE OVERVIEW

This 42' 2003 Country Coach Magna is a looker inside and out with many custom details throughout. You can entertain easily in this lovely Country Coach with 4 flatscreen TVs with one in outside bay, Sony surround-sound, 3 leather jack-knife couches, a large side-by-side refrigerator, GE convection/microwave oven, 2-burner gas stove with Corian topper, Corian countertops, undermount single-basin sink with raised backsplash and shelf, pull-out counter extension drawer, and power dinette booth. This coach is not only beautiful with extra details such as the decorative Corian counter accents and decorative glass cabinet panel accents but is also functional with washer/dryer combo, extra overhead storage throughout, and tile flooring in galley, bathrooms, and hallway.

Relax in style in a queen-sized bed with underneath storage and his/her side lighting. Many conveniences in the bedroom include a built-in dresser with computer desk, slide-out keyboard tray with Corian top, overhead lighting, carpet, washer/dryer combination unit, large 6-drawer vanity cabinet with Corian sink and decorative details, multiple vanity outlets on cabinet, slide roller shower doors on full-sized shower, box skylight over shower, and large mirrored double door medicine cabinet. The half bath is equipped with large toilet, vanity with Corian countertop sink, side-mounted faucet, and pocket door.

Power entry steps, large leather captain's chairs with wrap around driver console, day/night shades, new am/fm/cd player with backup monitor, tile and wood flooring, and power roof vent are just a few amenities to mention. There is also an outside ladder, Cat diesel generator, Allison 6-speed transmission, 2 slide-outs, double-slide toppers, electric awnings, and 3 large pass-thru storage bays, power roof vent, and wrap around driver console.
