VEHICLE OVERVIEW

Special touches abound in this 2005 Holiday Rambler such as residential-style decor, raised panel cabinet doors, crown molding, hardwood slide-out fascia, and designer carpeting. The dinette table has a convenient legless dinette table with solid surface top, two beautiful chairs, and two handy folding chairs. Living room features a two leather sofas with hide-a-bed air mattress. In the kitchen, you'll find a sleek solid surface counter-top, highly organized work space, roll-out pantry, built-in ink covers, and wastebasket storage. High-quality appliances are included such as a large double-door refrigerator and versatile convection microwave. The roomy bedroom features a large queen bed with hardwood headboard and fabric inserts. You'll have plenty of storage space with a dresser, nightstands, and oversize wardrobe closet. In the cockpit there are pilot and co-pilot six-way power seats featuring plush Ultra-leather coverings and foot rests. Overhead you'll find 24 flat screen CRT stereo TV, wired through the ceiling speakers for superior sound quality. A home theater system makes an exciting option, and the optional VCR and DVD player are neatly tucked in overhead cabinets and conveniently wired to both TV locations. The stylish bathroom features a solid surface vanity counter-top with integrated sink and a decorative mirror back splash. The easy-to-clean one-piece fiberglass shower has a beautiful decorative glass door and bathtub. Exterior features include side-hinged baggage doors designed to give you easier access to your items stowed below. You'll find power heated mirrors mounted on the front cap, power sun visors, and front cap generator access with slide-out tray. The coach comes with a full complement of high-quality awnings and Eclipse automatic patio awning. This beautiful 2005 Holiday Rambler is constructed with Alumaframe Superstructure with double-welded intersections for added strength. This design is both lighter and sturdier than wood or other aluminum frames. Roof is a peaked aluminum roof and sidewall construction is gel coat fiberglass. This Holiday Rambler coach is equipped with a Roadmaster Raised Rail RR8R-Series chassis, Cummins ISL 400 diesel engine with Allison 3000 MH 6-speed world transmission and electronic shifter, and a 10,000 lb tow hitch. It also has 2 roof air conditioners.
