VEHICLE OVERVIEW

With two slides, this 1996 Jayco Designer 3030RK has plenty of room for all your home essentials. This 31 ft Designer features many interior/exterior upgrades including replacement rubber roof 2014, new awning 2014, slideout seal 2014, new triple step 2014, new clearance lights 2014, new tires 2017, new battery 2017, new slideout topper 2017, new gas control valve 2017, new jack antenna 2017, new countertop 2017, new foam mattress 2017, and new vinyl floors and carpet in 2017.

The layout features a rear kitchen with 3-burner gas stove, convection oven, new Haier 10 Cu ft Electric Freezer Refrigerator, and large countertop. In the dining area there is a free-standing dinette table with 3 wood chairs with extra bar stool seating in living area. There is a full-sized sofa sleeper and an entertainment cabinet with storage. The mid-location bathroom has a tub, shower, vanity with bent and fan system. Bedroom features included front queen bed master suite, 2 large wardrobe cabinets, and overhead storage as well.

The ducted A/C system with auto ignition ducted furnace will keep this Jayco Designer comfortable through the camping season. This Jayco Designer also includes 2 propane tanks, 3-step entry, an XL entry-assist handle, outside shower, and power front landing gear.
