VEHICLE OVERVIEW

This 2006 Winnebago Aspect is ready to hit the road! Very clean unit with only 34,602 miles on it. Lots of entertaining possibilities with a Magnavox TV, Audiovox DVD player, exterior radio, and TV in bedroom. Kitchen/galley features include a Norcold double door refrigerator, Magic Chef 3-burner range with pot and pan drawer, range hood with light & fan, a Sharp microwave/convection oven, double-basin sink with cover, dinette booth seating with storage below and fold-out table. There is comfortable seating and even a lounge chair and privacy curtain. In the bedroom, you'll find a double bed, wardrobe cabinet, and a TV. In the bathroom there is a large single basin sink with tile backsplash, mirrored vanity, vinyl flooring, power roof vent in bath, and a toilet with foot pedal & sprayer.

Drive comfortably with a power assist steering w/tilt wheel, adjustable slide/recline seating, 3 point shoulder & lap seat belts, ultraleather cab seats, cruise control, airbags, cab carpet & floormats, power windows & power door locks, RV radio AM/FM stereo w/cd player, sunvisor rearview monitor, Parallax control center, Ford chassis, and defrost on exterior mirrors.

Other interior features include textured fabric ceiling material, dual pane windows, carbon monoxide/LPG detector/alarm, and a smoke detector/alarm while the exterior boasts of a patio awning, slide out awning, awning rails with rain gutter, electric entrance step, breakaway/adjustable mirrors, stainless steel wheel liners, fiberglass running boards, mud flaps in rear, and an exterior ladder.

Additional features include high-efficiency low profile AC heat pump, Suburban gas furnace, Onan gas micro quiet 4KW generator, Atwood water heater, and LP tank.
