VEHICLE OVERVIEW

This 2015 Highland Open Range 3X 388RKS has a wide-open living space floorplan that is unrivaled among the industry. With a 7' slide-out height and 3-inch wall thickness with Thermal Barrier, this unit is comfortable to live in year-round. You'll find residential features of a luxury fifth wheel including stainless steel appliances, dual pane windows, stackable washer and dryer capability, arched ceiling and much more.

Take a look at this revolutionary fifth wheel that is not only luxurious but is also lighter weight and easier to tow. This Open Range definitely has a homey feel with residential window frames with wood blinds, arched vaulted ceiling, ceiling fan, full view vented entrance door, and a keyless entry. Not to mention the wallpaper, curtains, shades, and a unique mini mud room area with a padded sitting bench, under bench drawer storage, overhead storage as well as a dressing mirror and hooks.

In the living area, you'll find a leather sleeper sofa, two leather recliners, adjustable height coffee table, and an electric fireplace with stone-like surround. Entertain easily with a large Toshiba TV, Furrion DVD/CD/MP3 player, surround sound, interior/exterior speakers, and a retractable roof antenna.
